

"Elwha Return," (left) is a piece created by local artists Clark Mundy, Darrell Charles Jr. and Al Charles Jr. and donated to North Olympic Land Trust to aid the organization in fundraising efforts to protect the area's special qualities and to inspire everyone to work together for the well-being of present and future generations.

Help protect our area's special qualities! Honor and memorialize people who are important to you.

You can help! Every donation helps North Olympic Land Trust protect special lands that contribute to our quality of life and our economy: habitat for salmon and other wildlife, farmlands, sustainable timberlands, clean water and air, scenic vistas, open space, and historic areas. Donations of any amount are welcome.

Each donation of \$100 or more entitles the donor to one listing. Listing your own name will show your support for protecting the area's special qualities. Listing others is a great way to honor or memorialize them. Send a donation to the Courthouse Art Project for birthdays, anniversaries and other special events. A memorial donation is a perfect way to leave a legacy for the future.

Plaques will be updated each January providing an ongoing place to show your support or pay tribute to those you wish to honor or memorialize. For more information, phone 360-417-1815 or visit northolympiclandtrust.org, where you can fill out a form on line and arrange for a credit card charge.
